Dear Business Owner,

The Union Aquatic Club (UNAC) has been providing an affordable and well-rounded competitive swim program for the Greater Binghamton area for the past 36 years. UNAC is a not-for-profit, parent-run organization with the mission and goals to provide a multi-faceted program promoting life enriching values of physical fitness, sportsmanship, team work and team spirit, diversity, respect, integrity, discipline and accomplishment through dedication, hard work and persistence. This is accomplished through a competitive swimming program in a safe, structured, educational environment.

Each year, the Union Aquatic Club hosts the Sertoma Summer Invitational swim meet as its major fund-raiser activity that serves to keep membership fees affordable, enables an outreach program for those unable to otherwise afford participation, provides funds for equipment and operations and offers the areas only outdoor long course swim meet sanctioned by USA Swimming. We request your support by placing an advertisement or message in our meet program. Our program contains the scheduling and placement of all participants for each event and experience indicates that nearly every participant obtains and refers to the program constantly over the three day event. This year we anticipate one of the largest levels of participation... over 400 swimmers and their families and friends, from local Southern Tier swim clubs as well as those from northern Pennsylvania, Syracuse, Ithaca, Lansing, Mexico (NY) and even teams from Canada that have become regular participants.

The meet will be held this year on July 10, 11, 12, and takes place at the "Z" Pool in the North Side Park in Endicott. Again this is the major fund raising event for UNAC and will help to sustain our swim club for the following year. Your generous sponsorship helps to provide a quality program for swimmers throughout our area, and the event also provides an important economic benefit for our community.

Please consider this very worthwhile investment in our youth and community through your sponsorship support. Please take a moment to review the sponsor options.
